New Business:

There was a discussion NWARIN submitting an application for ARIN Chapter of the Year Award. Connie Flores submitted the application in October by the designated deadline. Kathy Scheffer is on the ARIN Chapter Committee and we will be notified when a decision has been made. If NWARIN is awarded this, we will then send a representative to the 2015 ARIN Spring Conference to receive the award.

New officers were elected for the next two years. President Mary Sichko, President-elect Brenda Wickersham, Secretary Annmarie Huey, Treasurer Connie Flores. Board members Becky Turner, Joseph Ancheta, and Laurie Sandstrom.

We will be offering two \$500 scholarships in 2015. One for ARIN Spring Conference and one for Betty Heyano Certification Award. This award may be used to take the recertification exam, or toward the two day review course. Application forms are being created and will be presented to all officers for approval before being posted on the website.

Kathy Scheffer informed us that ARIN has a scholarship scoring system that she will share with us so we can determine who will be awarded on a fair basis.

The Radiology Review course will be held on May 2nd and 3rd 2015. Kathy Scheffer will be the presenter and she discussed price of the course. The final price will be determined at a future date.

The meeting was adjourned.
