

NWARIN Fall Meeting 11/7/2010 Tacoma Washington

The meeting took place at the Fall Conference for NWARIN, this year the conference was dedicated to the Review Course of Imaging Nurses, by Kathy Scheffer.

Meeting called to order by our current President Becky Turner.

- Congratulations were made to the success of the conference and the turn out of imaging nurses who took the review course.
- If we are able to sign up new members for ARIN and NW ARIN, the new members can get a discount depending how many sign up with them. There was great interest in the sign up. Their names will be sent to the national ARIN.
- 4 nurses voiced taking the CRN certification test, information provided on what is needed to take the test: must have practiced in DI nursing 2000 hours, in 2 years have continuing education 15 hours in nursing and 15 hours dedicated to DI. These are the requirements to take the test. The next CRN test is scheduled for March 2011, at the National conference and then again in May 2011.
