Old business that was cleared was that we had offered a scholarship of \$500 to our president to attend SIR/ARIN in New Orleans.

Membership drive: We have new members who joined because of promotions for the conference. Current NWARIN membership is 52.

New business: Fall conference to be held in Portland, OR next fall, tentatively, Patty Baker will talk with Portland members to see if this would be a go. The date discussed was November 9th or November 16th.

If Portland was unable to facilitate the conference, Joseph Ancheta said that the UofW would be willing to host.

Discussed at the meeting was the call for posters for the fall conference. Maybe offering \$500 money/scholarships to nationals.

Suggested topics for the fall conference:

Developing a Nurse Navigator in Imaging.
Family involvement.
Sedations by anesthesia vs. RN?
Transforming work flow.
Pain management in IR/Radiology.
Hot topics.

We had 51 attendees to our Spring Conference.

Meeting was adjourned by Joseph Ancheta.
